

58th Annual Training Conference Efficiency & Quality Driving Sustainability April 26th-28th, 2027

PRESENTATION INFO

Thank you for your interest in the AABH Annual Training Conference. This year we are heading to the Radisson Blu at the Mall of America in Minneapolis, MN.

All sessions this year are 60 minutes. Session information and proposals need to be submitted through the CE-Go platform. You will need to set up an account when you submit your information. This allows you to start and stop entering information as needed, as well as checking on the progress of approvals of submissions.

To make sure you have everything in one place prior to submitting your presentation/proposal, we ask that you use the following template to gather your materials. Each presentation needs the following to be accepted for continuing education credit:

- Your professional information (name, credentials, organization, phone and email)
- Brief Description of your training session
- A minimum of 3 learning objectives
- A minimum of 5 peer-reviewed articles that support your presentation topic
- A brief biography that highlights your experience that supports you as an expert/leader in the topic
- A current curriculum vitae or resume that demonstrates your expertise in the topic (include dates of your degrees)
- Optional at submission: Recent headshot (will be required if your session is accepted)

If you have multiple presenters, we will be directing all communications through the Primary Presenter to keep all communications clean.

Thank you again for your interest and commitment to our members.

Carrie Gene,
Chair

Stephen Michael
Executive Director

AABH 58th Annual Training Conference –
“Efficiency & Quality Driving Sustainability”
Minneapolis MN | April 26th-28th 2027
